A Public Hearing will be held by the Durham City Council to receive citizen comments on the needs in Durham neighborhoods. It is envisioned that these needs will be addressed through the use of federal Community Development Block Grant (CDBG), HOME Investment Partnership Program (HOME) Consortium, Emergency Solutions Grant (ESG), and Housing Opportunities for Persons With AIDS (HOPWA) funds, as contained in the upcoming FY 2022-2023 Annual Action Plan.

The U.S. Department of Housing and Urban Development (HUD) has notified the City of Durham of the final entitlement amounts to be received for FY 2022-2023. For planning purposes, the City of Durham expects to receive approximately \$2,100,000 in CDBG, \$1,100,000 in HOME Consortium, \$174,000 in ESG, and \$858,000 in Housing HOPWA funds.

A virtual City Council meeting is scheduled in lieu of an in-person meeting. Instructions for online participation can be found on the City of Durham website located at the following link: <https://durhamnc.gov/3012/Public-Hearings>.
