

Ohio

Department of Health

The Parenting at Mealtime and Playtime (PMP) Program

Funded by the Ohio Department of Health and launched in 2014, PMP has impacted over 85,000 children in Ohio. PMP is transitioning from a quality improvement project to an education based training program. PMP will be launching trainings on supporting the well-child visit and practice management during COVID-19.

Participants will be prepared to:

- Discuss protocol implementation for supporting the well child visit and practice management techniques during COVID-19
- Develop skills to support well child visits and manage the practice effectively

Target Audience: Pediatric or family medicine primary care, sub-specialists, hospitalists, general physicians, nurses, residents, medical students, practice receptionists, medical assistants, nurse practitioners, physician assistants, psychiatrists, psychologists, community members, allied health and all other stakeholders in the health of Ohio's children.

**PART 2
MOC**

THE AMERICAN BOARD OF PEDIATRICS

CME/MOC Statements: The Ohio Chapter, American Academy of Pediatrics (Ohio AAP) is accredited by the Ohio State Medical Association to provide continuing medical education for physicians. The Ohio AAP designates this live activity for a maximum of 3 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. Successful completion of this CME activity, which includes participation in the activity, with individual assessments of the participant and feedback to the participant, enables the participant to earn 3 MOC points in the American Board of Pediatrics' (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABP MOC credit. MOC Part II credit will be entered into the CME data portal entitled PARS and will be shared electronically with the ABP within 30 days of the activity date.
